Dear Parents,

February 3<sup>rd</sup>, 2017 has been declared “Ground Hog Job Shadow Day.” Springville Junior High School in partnership with the Utah State Office of Education invites you to take your son/daughter to work with you on Friday, February 3<sup>rd</sup>. This activity is only available for the 7<sup>th</sup> grade students. It is our hope that you will share your excitement for your profession with your child. If you choose to accept this invitation, your child will be excused from school on that day. We do not think of this as a day off from school for your son/daughter but rather an opportunity for you to become your child’s teacher for a day.

On the back this letter is an agreement that we ask you to read and sign. Please sign and return the agreement form by Tuesday, January 31<sup>st</sup>, 2017. When the agreement has been returned to the school, your child will be excused from attending classes on February 3<sup>rd</sup>, 2017. This is the only day Springville Junior High School will be sponsoring this “Ground Hog Job Shadow Day”, so we hope this is a day you can invite your child to come to work with you.

If for any reason you or your spouse are unable to bring your child to work, we encourage you to find a friend or a neighbor that will agree to become your child’s career mentor for a day. If no one can be found to sponsor your child, your son/daughter will be expected to attend school on that day as usual.

It is our hope that this will be a very special day for both you and your child. The more we can introduce them to the world of work the better prepared they will be to make good choices about their future profession. We hope that the vast majority of our students will have this opportunity to spend a day at work learning from their parent.

Thank you for your support of this career program.

Sincerely,

Ryan McGuire  
Principal
